

Building Shell Application Form

City of Everly
 202 N Main St
 PO Box 197
 Everly, IA 51338

Name: _____

Phone Number: _____

Installed Address: _____

Please complete the application below and attach any additional materials.
Send completed application to the City of Everly (address above). An inspection by City of Everly staff is required within 6 months of project completion. Basement walls MUST be inspected prior to being covered or they will not qualify.

Project Description (fill out blank columns for each location where insulation is added)

Location	Existing Level	Minimum Program Requirements	Proposed Level	Sq. Ft. Insulated	Total Cost*
Attic		R-38			
Walls		R-13			
Basement Walls		R-11			

Selective Incentive: Rebate (see below for explanation of amount):
 Interest free financing (please attach financing application):

Rebate Amount: Rebates are determined by the City of Everly using the following criteria (\$750 annual maximum).

- Attic & Wall insulation projects: 70% of the costs (up to \$750 per year)
- Basement walls: 50% of costs (up to \$500 per year)

*Contract labor, materials, & equipment are all eligible costs.

Please attach all sales receipts, copies, or quotes (rebates cannot be processed without receipts; financing cannot be processed without a quote).

I certify that the information supplied in this application is correct and that I have read the "Rules, Procedures, and Disclaimers" for the City of Everly Energy Efficiency Program." I understand that the incentive(s) will not be processed until I have complied with all program requirements.
